

A PARTNERSHIP PROPOSAL

RaceSims • Chennai

teaming up with

CORSAIR

India's first real motorsport sim-racing centre • Nungambakkam, Chennai

RACESIMS SOLUTIONS PVT LTD • OPENING JULY 2026 • DRIVE • TRAIN • COMPETE

FIRST — WHAT WE'RE BUILDING

It's not a gaming café. It's a real **motorsport centre.**

Eight pro racing rigs — one on a full 3-DOF motion platform — right in the middle of Nungambakkam. And it's run by the people behind **ARKA Motorsports**, a championship-winning race team with **130+ national titles**. This isn't a screen in a mall. It's the real thing, built by racers.

130+

ARKA national titles behind it

of its kind in India

Nungambakkam

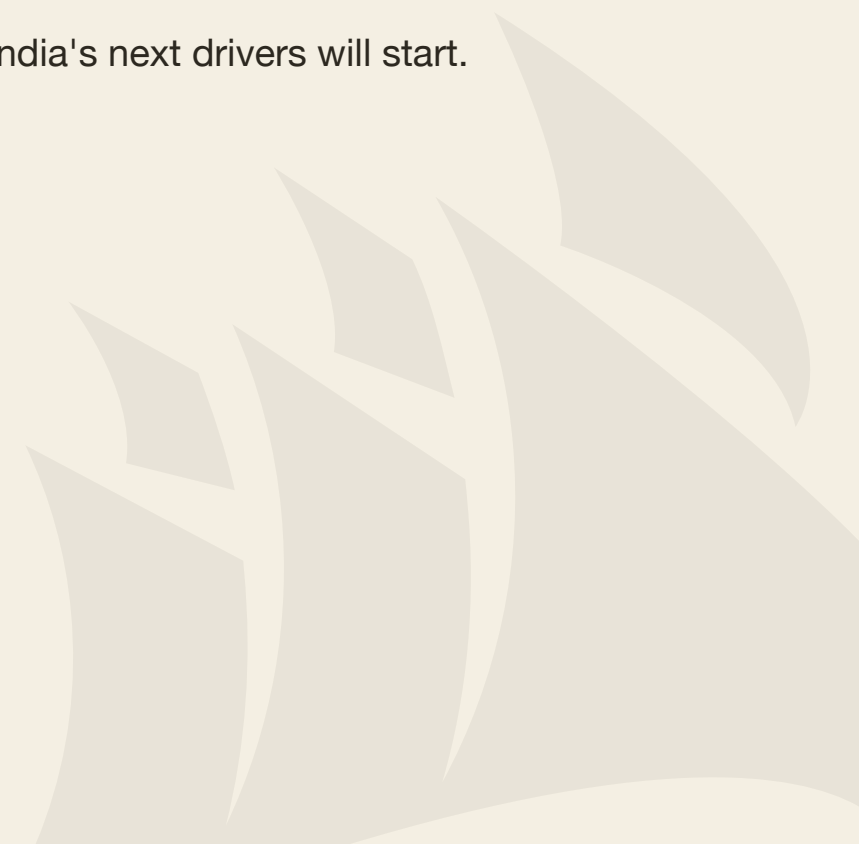

heart of central Chennai

AND THERE'S A LOT MORE THAN RACING

It's a whole **journey** under one roof.

- People don't just drop in to drive — they come to learn. Our **Motorsport Academy** takes them from their very first lap to a real race car: sim mornings, real-track afternoons with ARKA.
- We run our own championships and weekly hot-lap battles that keep people coming back.
- And the best of them climb **the Ladder** — straight into actual race seats. This is where India's next drivers will start.

Drive. Train. Compete. All in one place — for the first time in India.

AND LOOK WHO'S WALKING IN

The right crowd, **every single day.**

A Nungambakkam address puts us in front of exactly the people every brand wants to reach:

- HNIs & families
- Corporates & team days
- Celebrities & influencers
- Motorsport fans
- Young aspiring drivers
- Gamers & esports

Every one of them is someone you'd want holding your gear — and posting about it.

NOW — HERE'S WHERE YOU COME IN

We want Corsair on **every single rig.**

You're already half the build — **memory, storage, cooling, power, cases and headsets.** The machines every lap in the building runs on. Here's where you show up:

- ▶ **Corsair gear in all 8 race PCs** — the hardware every single lap runs on.
- ▶ **Your name on every rig**, the leaderboard wall and the front door.
- ▶ A branded **Corsair zone** with your gear on show — the kit people actually race on.
- ▶ Our social, our videos, our championships and events — all carrying Corsair.

SO HERE'S THE ASK

Kit out **every PC in the house.**

₹7.1 L
