

A PARTNERSHIP PROPOSAL

RaceSims · Chennai

teaming up with

CORSAIR

India's first real motorsport sim-racing centre · Nungambakkam, Chennai

Racesims Solutions Pvt Ltd · opening July 2026 · Drive · Train · Compete

FIRST — WHAT WE'RE BUILDING

It's not a gaming café. It's a real **motorsport** centre.

Eight pro racing rigs — one on a full 3-DOF motion platform — right in the middle of Nungambakkam. And it's run by the people behind **ARKA Motorsports**, a championship-winning race team with **130+ national titles**. This isn't a screen in a mall. It's the real thing, built by racers.

AND THERE'S A LOT MORE THAN RACING

It's a whole **journey** under one roof.

- People don't just drop in to drive — they come to learn. Our Motorsport Academy takes them from their very first lap to a real race car: sim mornings, real-track afternoons with ARKA.
- We run our own championships and weekly hot-lap battles that keep people coming back.
- And the best of them climb the Ladder — straight into actual race seats. This is where India's next drivers will start.

Drive. Train. Compete. All in one place — for the first time in India.

AND LOOK WHO'S WALKING IN

The right crowd, **every single day.**

A Nungambakkam address puts us in front of the people every brand wants to reach:

HNIs & families

Corporates & team days

Celebrities & influencers

Motorsport fans

Young aspiring drivers

Gamers & esports

Every one of them is someone you'd want holding **your gear.**

NOW — HERE'S WHERE YOU COME IN

We want **Corsair** on every single rig.

You're already half the build — memory, cooling, power, cases, headsets. And now that you own **Fanatec**, you're the wheels and pedals too. One brand, the whole cockpit. Here's where you'll show up:

- Your name on every rig, the leaderboard wall, and the front door.
- A branded zone with your gear on show — the kit people actually race on.
- Our social, our videos, our championships and events — all carrying Corsair.

SO HERE'S THE ASK

Kit out the **whole** centre.

Corsair PC gear across 8 rigs — RAM, cooling, power, cases, headsets

₹5.9 L

Fanatec wheels & pedals (Corsair group) — featured rigs

₹4–12 L

What we're asking you to cover

₹10–18 L

In return, Corsair **owns the room** where India falls in love with racing — and when we open the next centres, you're already on board.

LET'S DO THIS

Put **Corsair** on the start line of Indian motorsport.
