

A PARTNERSHIP PROPOSAL

RaceSims • Chennai

teaming up with

CORSAIR

India's first real motorsport sim-racing centre • Nungambakkam, Chennai

RACESIMS SOLUTIONS PVT LTD • OPENING JULY 2026 • DRIVE • TRAIN • COMPETE

It's not a gaming café. It's a real **motorsport centre**.

Eight pro racing rigs — one on a full 3-DOF motion platform — right in the middle of Nungambakkam. And it's run by the people behind **ARKA Motorsports**, a championship-winning race team with **130+ national titles**. This isn't a screen in a mall. It's the real thing, built by racers.

heart of central Chennai

AND THERE'S A LOT MORE THAN RACING

It's a whole **journey** under one roof.

- People don't just drop in to drive — they come to learn. Our **Motorsport Academy** takes them from their very first lap to a real race car: sim mornings, real-track afternoons with ARKA.
- We run our own championships and weekly hot-lap battles that keep people coming back.
- And the best of them climb **the Ladder** — straight into actual race seats. This is where India's next drivers will start.

Drive. Train. Compete. All in one place — for the first time in India.

AND LOOK WHO'S WALKING IN

The right crowd, **every single day.**

A Nungambakkam address puts us in front of exactly the people every brand wants to reach:

- HNIs & families
- Corporates & team days
- Celebrities & influencers
- Motorsport fans
- Young aspiring drivers
- Gamers & esports

Every one of them is someone you'd want holding your gear — and posting about it.

NOW — HERE'S WHERE YOU COME IN

One group. **Two halves of the same cockpit.**

Since 2024, Corsair owns **Fanatec** too — so between you, you make almost the entire rig. We've kept the two businesses separate on purpose, so each team sees exactly what it's putting in:

CORSAIR — THE PC

You're already half the build:
across all eight race PCs. The machines every lap runs on.

FANATEC — THE COCKPIT

Now the part people actually touch:
on our featured rigs. The kit they fall in love with.

And here's where you show up: your name on every rig, the leaderboard wall and the front door · a branded Corsair + Fanatec zone with your gear on show · and every video, championship and event we run — all carrying you.

SO HERE'S THE ASK

Same group. **Two separate asks.**

Corsair and Fanatec run as different companies — so we've costed them apart. Each team has its own budget line; neither carries the other's.
