FIRST — WHAT WE'RE BUILDING

It's not a gaming café. It's a real **motorsport centre.**

Eight pro racing rigs — one on a full 3-DOF motion platform — right in the middle of Nungambakkam. And it's run by the people behind **ARKA Motorsports**, a championship-winning race team with **130+ national titles**. This isn't a screen in a mall. It's the real thing, built by racers.

AND THERE'S A LOT MORE THAN RACING

It's a whole **journey** under one roof.

- People don't just drop in to drive — they come to learn. Our **Motorsport Academy** takes them from their very first lap to a real race car: sim mornings, real-track afternoons with ARKA.
- We run our own championships and weekly hot-lap battles that keep people coming back.
- And the best of them climb **the Ladder** — straight into actual race seats. This is where India's next drivers will start.

Drive. Train. Compete. All in one place — for the first time in India.

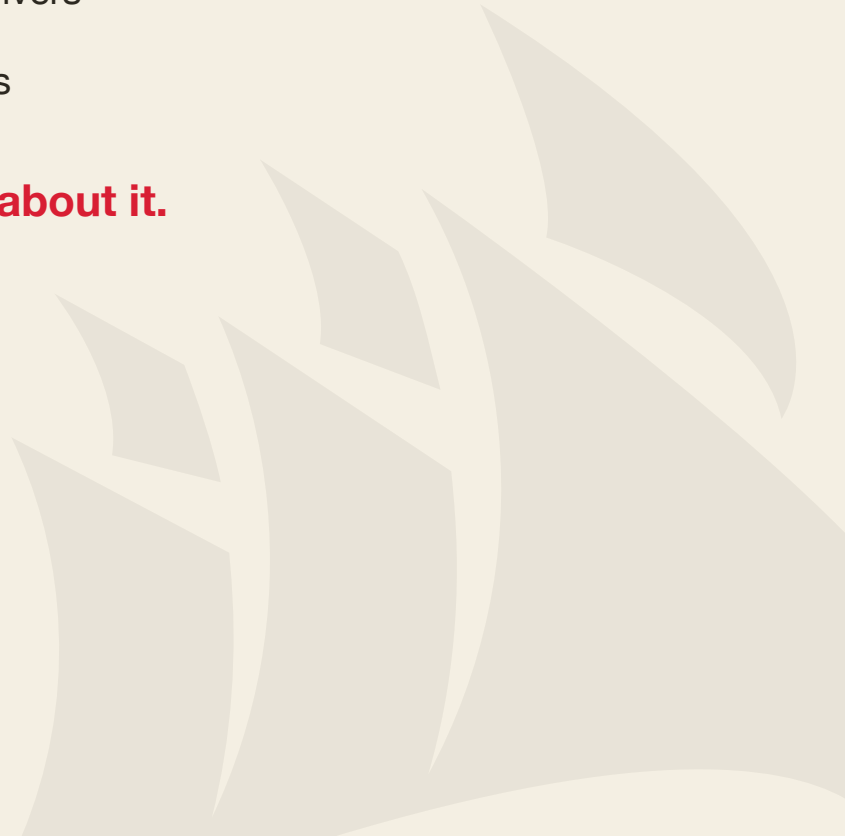

AND LOOK WHO'S WALKING IN

The right crowd, **every single day.**

A Nungambakkam address puts us in front of exactly the people every brand wants to reach:

- HNIs & families
- Corporates & team days
- Celebrities & influencers
- Motorsport fans
- Young aspiring drivers
- Gamers & esports

Every one of them is someone you'd want holding your gear — and posting about it.

NOW — HERE'S WHERE YOU COME IN

The kit they **fall in love with.**

The wheel, the pedals, the base, the whole cockpit — the part people actually touch. We're putting **Fanatec on our two featured rigs**, front and centre, as the hero seats of the centre.

- ▶ **Complete Fanatec cockpits on the 2 featured rigs** — DD+ wheelbase, Formula wheel, V3 pedals, full cockpit.
- ▶ **Fanatec branding on those 2 hero rigs** and the leaderboard wall — the seats everyone wants to try.
- ▶ A branded **Fanatec zone** where drivers feel real direct-drive force for the first time.
- ▶ Our social, our videos, our championships and events — all carrying Fanatec.

SO HERE'S THE ASK

Own the seats **they queue for.**
