

A PARTNERSHIP PROPOSAL

# RaceSims • Chennai

teaming up with

CORSAIR

India's first real motorsport sim-racing centre • Nungambakkam, Chennai

RACESIMS SOLUTIONS PVT LTD • OPENING JULY 2026 • DRIVE • TRAIN • COMPETE

# It's not a gaming café. It's a real **motorsport centre**.

Eight pro racing rigs — one on a full 3-DOF motion platform — right in the middle of Nungambakkam. And it's run by the people behind **ARKA Motorsports**, a championship-winning race team with **130+ national titles**. This isn't a screen in a mall. It's the real thing, built by racers.

**8**

pro rigs + a 3-DOF motion sim

**130+**

ARKA national titles behind it

**1st**

of its kind in India

**Nungambakkam**

heart of central Chennai

AND THERE'S A LOT MORE THAN RACING

# It's a whole **journey** under one roof.

- People don't just drop in to drive — they come to learn. Our **Motorsport Academy** takes them from their very first lap to a real race car: sim mornings, real-track afternoons with ARKA.
- We run our own championships and weekly hot-lap battles that keep people coming back.
- And the best of them climb **the Ladder** — straight into actual race seats. This is where India's next drivers will start.

**Drive. Train. Compete. All in one place — for the first time in India.**

AND LOOK WHO'S WALKING IN

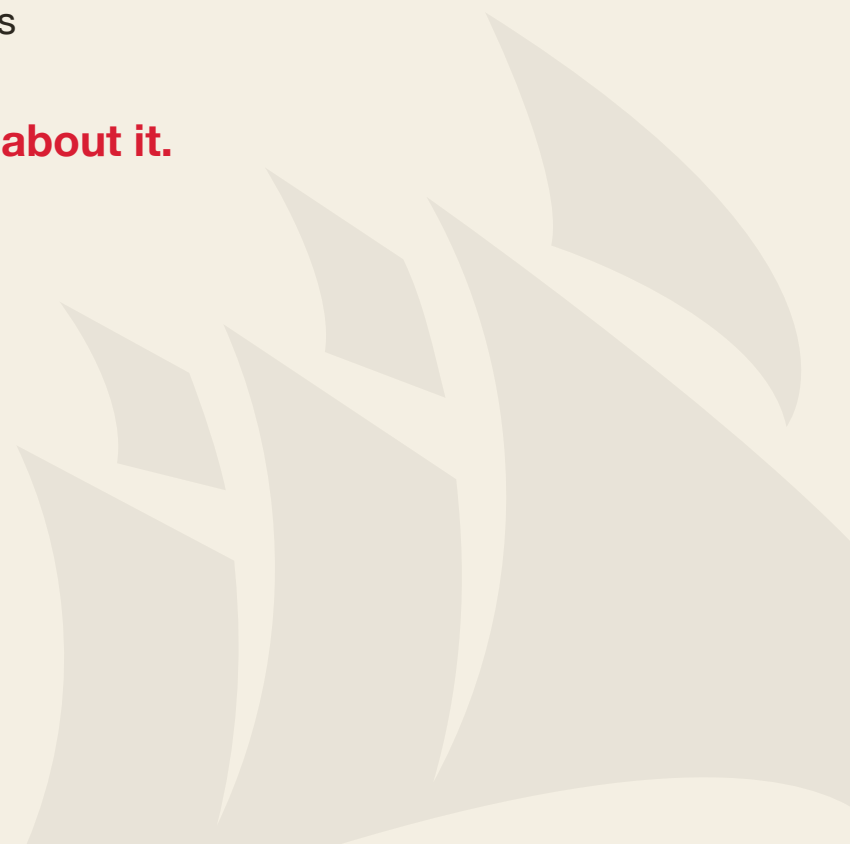

# The right crowd, **every single day.**

A Nungambakkam address puts us in front of exactly the people every brand wants to reach:

- HNIs & families
- Corporates & team days
- Celebrities & influencers
- Motorsport fans
- Young aspiring drivers
- Gamers & esports

**Every one of them is someone you'd want holding your gear — and posting about it.**

NOW — HERE'S WHERE YOU COME IN

# One group. **Two halves of the same cockpit.**

Since 2024, Corsair owns **Fanatec** too — so between you, you make almost the entire rig. We've kept the two businesses separate on purpose, so each team sees exactly what it's putting in:

## **CORSAIR — THE PC**

You're already half the build:

across all eight race PCs. The machines every  
lap runs on.

## **FANATEC — THE COCKPIT**

Now the part people actually touch:

on our featured rigs. The kit they fall in love with.

**And here's where you show up:** your name on every rig, the leaderboard wall and the front door · a branded Corsair + Fanatec zone with your gear on show · and every video, championship and event we run — all carrying you.

SO HERE'S THE ASK

# Same group. **Two separate asks.**

Corsair and Fanatec run as different companies — so we've costed them apart. Each team has its own budget line; neither carries the other's.

# Put Corsair on the start line of **Indian motorsport.**

Own the room where India falls in love with racing — the PC and the cockpit, both carrying your name. And when we open the next centres, you're already on board.
